Sir:

Applicants respectfully request reconsideration of the decision mailed on or about May 2, 2003, dismissing their petition to reset a period for reply.

Paper No. 6 states that a change of correspondence address was not filed until March 27, 2003. In fact, however, the facsimile filing on that date was of a change of correspondence address originally filed on August 7, 2002, a true copy of the postcard receipt being attached hereto (Tab #1).

We further note that page 2 of the Office Action in question (Tab #2) bears a "RECEIVED Dec. 23, 2002 GROUP 3600" stamp which apparently indicates that the Office Action may have been returned to Group 3600 and remailed from there to the wrong address following the filing of the change of correspondence address on August 7, 2002, as noted above.

In addition, the undersigned verifies that the attached is a true copy of the first page of the Office Action bearing a mailing date of December 2, 2002, and the reverse side of that page showing a receipt date of April 2, 2003 of the office of the undersigned. (Tab #3). The stamping of both the receipt date and a docketing date was done on the reverse side of the first page of the Office Action in accordance with standard procedure in the office of the undersigned.

Accordingly, resetting of the response date is appropriate in the interest of justice to the Applicants.

Respectfully submitted,

June 2, 2003
